*Present for part of meeting.

Long-Range Requirements for Satellite Photography
(COMOR-D-13/23 and D-13/24)

1. The papers on the above subject were submitted by CIA and DIA respectively as noted in the reference. They were discussed preliminarily for the purpose of canvassing the differences and exploring possibilities as to the form and manner in which COMOR would eventually submit its views to the Board. The Chairman stated that his office would now seek to provide a draft bringing the two papers together and in that process take into account the discussion at the meeting. It was agreed
